BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 90-42-S - ORDER NO. 90-653
JULY 9, 1990

IN RE: Application of WildeWood Utilities, Inc.) ORDER
for Expansion of Sewer Service to Include) CANCELLING
Sewer Service for Certain Portions of) HEARING AND
Richland and Kershaw Counties.) APPROVING
) EXTENSION OF
) SERVICE AREA

By Order No. 90-439 issued in the instant Docket on April 12, 1990, the Commission determined, inter alia, that a hearing should be held in this matter. The Commission based its decision on the fact that in a separate docket, Docket No. 90-125-S, the Valhalla Company, a sewer utility in Richland County, had filed an application requesting an extension of its sewer service area of which it appeared that portions of the area sought be Valhalla overlapped with portions of the area sought by WildeWood in its extension.

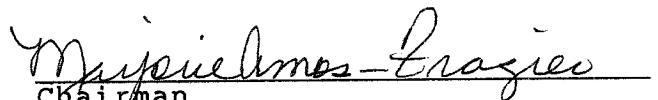

Subsequently, by letter dated June 27, 1990, counsel for Valhalla informed the Commission that it desired to amend its application for extension of service area to delete any of the area that overlaps with the area for which WildeWood has filed an application to extend its sewer service.

In light of the amendment by Valhalla to delete the areas

which overlapped with WildeWood's application and the withdrawal of the intervention, as well as the withdrawal of the participation of the Consumer Advocate, the Commission is of the opinion that the prior necessity to have a hearing concerning the areas that overlapped is no longer necessary. Therefore, the Commission has determined that the hearing previously scheduled in this matter should be cancelled and that the extension of service area requested by WildeWood Utilities, Inc. be approved.

IT IS SO ORDERED.

BY ORDER OF THE COMMISSION:
